Mind Power For Personal Success

Get your mind out of your way

What you call 'Mind' is only the Conscious part of it - a tip of the iceberg. What lies underneath this is the **EXTREMELY POTENT SUB-CONSCIOUS** utterly unutilized. If you know how to engage this storehouse of power, you know for sure how to enjoy a winning and fulfilling life.

Mind Power For Personal Success - A World without limits

'Mind power for Personal Success' is a course based on the power of thoughts and subconscious mind. It has turned around the life of many. Mind Coach Shumi Shetty has been instrumental in helping people from all walks of life gain control over their mind and produce remarkable results.

Is Mind power for Personal Success for me?

- If you are not as successful as you like to be?
- If you are not living to your highest potential?
- If your relationships are not harmonious?
- If you are not you in peak health?
- If you are not living an abundant life?

... Mind Power is just for you.

Mind power for Personal Success employs various scientific techniques to offer you manifold benefits:

- Discover old negative thought patterns that are holding you back
- Understand why they are a part of your sub-conscious mind
- Learn to replace them with a new positive way of thinking
- Take the first steps to creating the life you wish to live

Program Options

Each of these courses can be delivered in keynote, half-day and full-day format.

Testimonials

I highly recommend Shumi Workshop. Not only does she walk her talk, but she truly cares about seeing you reach your personal goals, whatever they may be!"

- Dr. Mukkesh Certified - Life Coach & Mind Power Trainer - Hyderabad

You have motivated us to work on our dreams which we had forgotten as most of us got busy with our families. You made us realise that forgiveness was the best healer & a simple act of forgiveness could heal any ailment.

- Poonam Gambhir - Inner Wheel Club of Mulund Hills

Making the decision to attend your workshop was one of the wisest personal and professional decisions I have ever made. I am now clearer on how I want to design my life and have tools and strategies to make my dreams a reality."
